Forecast for Saturday 05 Jun 2021

Weather: A mostly dry morning with some clear or sunny periods, perhaps the odd shower across the far west. Scattered showers breaking out in the afternoon and evening, a few heavier ones possible across Argyll and Lochaber late afternoon and early evening. Drier conditions spreading northeast during the rest of the evening.

Chance of cloud free mountain/hill tops above 800m: 60%, best chance across the east and more generally in the morning period.

Visibility: Poor in low cloud down to 300 metres along the west coast at times through the day, otherwise cloud mostly at 900 metres or above but cloud down to 500 metres edging inland from the west coast from late afternoon, clearing from the hills by mid-evening.
